Customer Information for Your Delivery Service

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider.

Payment Arrangements

Late-Payment Charge

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

Maine Public Utilities Commission (MPUC)

The MPUC's Consumer Assistance and Safety Division (CASD) investigates and resolves complaints, educates the public and ensures utilities remain in compliance with State statutes and Commission rules.

Estimated Bills

**Supplier Information**

CMP does not generate or supply electricity. We deliver your electricity. Your electricity is supplied by NextEra Energy Marketing LLC (33%) and New Brunswick Power Marketing (67%).

For information regarding electricity supply options, please see the Office of the Public Advocate website at: <https://www.maine.gov/meopa/electricity/electricity-supply> or contact them at 207-624-3687.

Competitive bidding for the right to supply SOP electricity is supervised by the Maine Public Utilities Commission (MPUC).

The previous average price per KWH for your Standard Offer electricity was \$0.118161. The new average price per KWH for your Standard Offer electricity is \$0.176310

CMP provides billing services for your electricity supplier. We are required to bill and collect supplier charges and forward payments on your behalf, in accordance with MPUC rules.

Standard Offer supply prices increased January 1. Visit us at [cmpco.com/UnderstandYourUsage](http://cmpco.com/UnderstandYourUsage) to see ways to manage your usage. You can also choose your supplier, and possibly find a better supply price, or by visiting [maine.gov/mpuc](http://maine.gov/mpuc) or [maine.gov/meopa/electricity/electricity-supply](http://maine.gov/meopa/electricity/electricity-supply).

CMP is your energy delivery company. Other companies, not regulated by the MPUC, supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. You will see your supplier and their supply charges itemized on this page.
