Supplier Information

CMP does not generate or supply electricity. We deliver your electricity. Your electricity is supplied by NextEra Energy Marketing LLC (33%) and New Brunswick Power Marketing (67%).

For information regarding electricity supply options, please visit the Office of the Public Advocate website at: maine.gov/meopa/electricity/electricity-supply or call them at 207.624.3687.

Competitive bidding for the right to supply SOP electricity is supervised by the Maine Public Utilities Commission (MPUC).

The average price per KWH for your Standard Offer electricity is \$0.176310.

CMP provides billing services for your electricity supplier. We are required to bill and collect supplier charges and forward payments on your behalf, in accordance with MPUC rules.

Visit us at cmpco.com/UnderstandYourUsage to see ways to manage your usage. You can also choose your supplier, and possibly find a better supply price, or by visiting maine.gov/mpuc or maine.gov/meopa/electricity/electricity-supply.

CMP is your energy delivery company. Other companies, not regulated by the MPUC, supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.
