Supplier Information

CMP does not generate or supply electricity. We deliver your electricity. Your Standard Offer electricity is supplied by NextEra Energy Marketing LLC (33%) and New Brunswick Power Marketing (67%). Standard Offer is the default if you have not chosen an electricity supplier.

CMP is your energy delivery company. Other companies, not regulated by the Maine Public Utilities Commission (MPUC), supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.

Competitive bidding for the right to supply Standard Offer electricity is supervised by the MPUC. The price per kWh for your default Standard Offer electricity supply is \$0.166310.

You may learn more about energy supply and suppliers, and possibly find a better supply price, by visiting the Office of the Public Advocate (OPA) at maine.gov/SupplyRates, calling the OPA at 207.624.3687, or by visiting the MPUC at maine.gov/mpuc.
