Your Messages

The average residential **CMP Delivery** amount includes about \$8 per month in non-CMP costs to support Maine public policy initiatives including net energy billing subsidies, low income assistance and energy efficiency. Learn more about CMP rates and public policy costs at cmpco.com/PublicPolicyCosts.

On January 1, 2024, the CMP delivery price and the non-CMP Standard Offer Supply price decreased for residential customers. Please visit cmpco.com/Pricing for all rate class pricing.

If you need help paying your bill, you may be eligible for funds through the Home Energy Assistance Program, our Arrearage Management Program or our Electricity Lifeline Program. For more information, please visit cmpco.com/HelpWithBill, call us at 800.750.4000, or contact your local Community Action Agency.

Thank you for choosing AutoPay - our most convenient payment option. Your payments are made automatically, on time every month. There is no need to send payment with this bill.

Receive alerts and updates about your electricity usage and estimated cost - all made possible by your smart meter. You can choose one, two or all three of the following alerts: usage updates, usage amount exceeded and usage change alerts. Go to cmpco.com/Alerts to learn more.

Your Monthly Billed Usage Summary(kWh)

Your next meter reading is on or about 02/09/2024

Your Average Daily Billed Usage (kWh)

Please return this stub with your payment. Please allow 7 to 10 business days for processing. Do not send cash or coins, and do not return with staples or paper clips. Thank you.

Please contact the Project Sponsor for details regarding the allocated generation credited to your account. You receive allocated generation produced by Mavis Oakland LLC.

Customer Information for Your Delivery Service

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, visit cmpco.com or call us at 800.750.4000. To see how your Delivery Charges are impacted by Maine public policy, visit cmpco.com/PublicPolicyCosts.

What's a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (kWh) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 kWh of energy.

Sales-Tax Exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (kWh) of residential usage.

Late-Payment Charge

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Visit cmpco.com for more information, or call 800.750.4000.

Questions?

To ask a question or dispute a bill, you can email customer.service@cmpco.com, or call 800.750.4000, or write to CMP Customer Service, 83 Edison Drive, Augusta, ME 04336.

Payment Arrangements

If you have trouble paying your bill, a payment plan may help. Call 800.686.4044 for more information.

Maine Public Utilities Commission (MPUC)

The MPUC's Consumer Assistance and Safety Division (CASD) investigates and resolves complaints, educates the public and ensures utilities remain in compliance with State statutes and Commission rules. To contact the CASD, call **800.452.4699** or visit maine.gov/mpuc.

You have chosen to purchase your electricity supply from: [Standard Offer](#). Rates for electricity supply are not set by CMP yet we are required to bill and collect them on behalf of your Supplier.

Supplier Information

CMP does not generate or supply electricity. We deliver your electricity. Your Standard Offer electricity is supplied by Constellation Energy (25%) and NextEra Energy Marketing LLC (75%). Standard Offer is the default if you have not chosen an electricity supplier.

CMP is your energy delivery company. Other companies, not regulated by the Maine Public Utilities Commission (MPUC), supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.

Competitive bidding for the right to supply Standard Offer electricity is supervised by the MPUC. January 1, 2024, the Standard Offer electricity supply rate is going down from \$0.166310 per kWh to \$0.108363 per kWh.

You may learn more about energy supply and suppliers, and possibly find a better supply price, by visiting the Office of the Public Advocate (OPA) at maine.gov/SupplyRates, calling the OPA at 207.624.3687, or by visiting the MPUC at maine.gov/mpuc.

Visit us at cmpco.com/UnderstandYourUsage to see ways to manage and potentially reduce your usage.
