### Your Messages

The average residential **CMP Delivery** amount includes about \$8 per month in non-CMP costs to support Maine public policy initiatives including net energy billing subsidies, low income assistance and energy efficiency. Learn more about CMP rates and public policy costs at [cmpco.com/PublicPolicyCosts](http://cmpco.com/PublicPolicyCosts).

On January 1, 2024, the CMP delivery price and the non-CMP Standard Offer Supply price decreased for residential customers. Please visit [cmpco.com/Pricing](http://cmpco.com/Pricing) for all rate class pricing.

If you need help paying your bill, you may be eligible for funds through the Home Energy Assistance Program, our Arrearage Management Program or our Electricity Lifeline Program. For more information, please visit [cmpco.com/HelpWithBill](http://cmpco.com/HelpWithBill), call us at 800.750.4000, or contact your local Community Action Agency.

Thank you for choosing AutoPay - our most convenient payment option. Your payments are made automatically, on time every month. There is no need to send payment with this bill.

Receive alerts and updates about your electricity usage and estimated cost - all made possible by your smart meter. You can choose one, two or all three of the following alerts: usage updates, usage amount exceeded and usage change alerts. Go to [cmpco.com/Alerts](http://cmpco.com/Alerts) to learn more.

### Customer Information for Your Delivery Service

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, visit [cmpco.com](http://cmpco.com) or call us at 800.750.4000. To see how your Delivery Charges are impacted by Maine public policy, visit [cmpco.com/PublicPolicyCosts](http://cmpco.com/PublicPolicyCosts).

#### What's a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (kWh) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 kWh of energy.

#### Questions?

To ask a question or dispute a bill, you can email [customer.service@cmpco.com](mailto:customer.service@cmpco.com), or call 800.750.4000, or write to CMP Customer Service, 83 Edison Drive, Augusta, ME 04336.

#### Sales-Tax Exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (kWh) of residential usage.

#### Payment Arrangements

If you have trouble paying your bill, a payment plan may help. Call 800.686.4044 for more information.

#### Late-Payment Charge

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

#### Maine Public Utilities Commission (MPUC)

The MPUC's Consumer Assistance and Safety Division (CASD) investigates and resolves complaints, educates the public and ensures utilities remain in compliance with State statutes and Commission rules. To contact the CASD, call **800.452.4699** or visit [maine.gov/mpuc](http://maine.gov/mpuc).

#### Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Visit [cmpco.com](http://cmpco.com) for more information, or call 800.750.4000.

**Supplier Information**

CMP does not generate or supply electricity. We deliver your electricity. Your Standard Offer electricity is supplied by Constellation Energy (25%) and NextEra Energy Marketing LLC (75%). Standard Offer is the default if you have not chosen an electricity supplier.

CMP is your energy delivery company. Other companies, not regulated by the Maine Public Utilities Commission (MPUC), supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.

Competitive bidding for the right to supply Standard Offer electricity is supervised by the MPUC. January 1, 2024, the Standard Offer electricity supply rate is going down from \$0.166310 per kWh to \$0.108363 per kWh.

You may learn more about energy supply and suppliers, and possibly find a better supply price, by visiting the Office of the Public Advocate (OPA) at [maine.gov/SupplyRates](http://maine.gov/SupplyRates), calling the OPA at 207.624.3687, or by visiting the MPUC at [maine.gov/mpuc](http://maine.gov/mpuc).

Visit us at [cmpco.com/UnderstandYourUsage](http://cmpco.com/UnderstandYourUsage) to see ways to manage and potentially reduce your usage.
