☒ Usage Data not needed

☒ Most recent 12 months of usage data

Terms
1. Customer: Customer subscribing to the Community Solar Garden. 2. Subscriber Organization/Producer: Organization that manages the Community Solar Garden subscription and will receive utility customer data.

1. Customer Information Sharing with the SRC Subscriber Organization

Information Sharing. Participating in the Solar*Rewards Community Program will require sharing the Customer's Account Information (name, account number, service address, telephone number, email address, web site URL, information on Subscriber participation in other distributed generation serving the premises of the Customer, Customer specific Bill Credit(s) and Customer's Energy Usage Data (data collected from the utility customer meters that reflects the quantity, quality, or timing of the customer's electric usage or electricity production for the service address and account number identified for participation in the Community Solar Garden) to the Subscriber Organization.

2. Consent to Disclose Utility Customer Data

Customer data can provide insight into activities within the premises receiving utility service. Your utility may not disclose your customer data except (1) if you authorize the disclosure, (2) to contracted agents that perform services on behalf of the utility, or (3) as otherwise permitted or required by laws or regulations.

You are not required to authorize the disclosure of your customer data. Not authorizing disclosure will not affect your utility services. You may access your standard customer data from your utility without any additional charge. Your utility will have no control over the data disclosed pursuant to this consent and will not be responsible for monitoring or taking any steps to ensure that the data recipient maintains the confidentiality of the data or uses the data as authorized by you. Please be advised that you may not be able to control the use or misuse of your data once it has been released. In addition to the customer data described above, the data recipient may also receive the following from your utility: your name; account number; service number; meter number; utility type; service address; premise number; premise description; meter read date(s); number of days in the billing period; utility invoice date; base rate bill amount; other charges including base rate and non-base rate adjustments; taxes; and invoice total amount. Your utility will not provide any other information, including personally identifiable information, such as your Social Security Number or any financial account number, to the data recipient through this consent form.

By signing this form you acknowledge and agree that you are the customer of record for this account and that you authorize your utility service provider to disclose your customer data as specified in this form and agree to terms of the agreement.
