**Customer Information for Your Delivery Service**

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, visit [cmpco.com](http://cmpco.com) or call us at 800.750.4000. To see how your Delivery Charges are impacted by Maine public policy, visit [cmpco.com/PublicPolicyCosts](http://cmpco.com/PublicPolicyCosts).

**What's a kilowatt-hour?**

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (kWh) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 kWh of energy.

**Questions?**

To ask a question or dispute a bill, you can email [customer.service@cmpco.com](mailto:customer.service@cmpco.com), or call 800.750.4000, or write to CMP Customer Service, 83 Edison Drive, Augusta, ME 04336.

**Sales-Tax Exemption**

Maine sales tax does not apply to the first 750 kilowatt-hours (kWh) of residential usage.

**Payment Arrangements**

If you have trouble paying your bill, a payment plan may help. Call 800.686.4044 for more information.

**Late-Payment Charge**

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

**Maine Public Utilities Commission (MPUC)**

The MPUC's Consumer Assistance and Safety Division (CASD) investigates and resolves complaints, educates the public and ensures utilities remain in compliance with State statutes and Commission rules. To contact the CASD, call **800.452.4699** or visit [maine.gov/mpuc](http://maine.gov/mpuc).

**Estimated Bills**

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Visit [cmpco.com](http://cmpco.com) for more information, or call 800.750.4000.

**Supplier Information**

CMP does not generate or supply electricity. We deliver your electricity. Your Standard Offer electricity is supplied by Constellation Energy (50%) and New Brunswick Power Marketing (50%). Standard Offer is the default if you have not chosen an electricity supplier.

CMP is your energy delivery company. Other companies, not regulated by the Maine Public Utilities Commission (MPUC), supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.

Competitive bidding for the right to supply Standard Offer electricity is supervised by the MPUC. The price per kWh for your default Standard Offer electricity supply is \$0.106128.

You may learn more about energy supply and suppliers, and possibly find a better supply price, by visiting the Office of the Public Advocate (OPA) at [maine.gov/SupplyRates](http://maine.gov/SupplyRates), calling the OPA at 207.624.3687, or by visiting the MPUC at [maine.gov/mpuc](http://maine.gov/mpuc).
