 **Safety Messages from Ameren Illinois**

**Important Message for Gas Customers - Be Safe** If you ever smell gas, call Ameren Illinois at 1.800.755.5000 to investigate the problem. We respond to gas odors 24 hours a day, 7 days a week and there is no charge.

Should a natural gas leak or natural gas emergency occur at or near your home, our crews may need to reach your gas meter to shut off your service. Therefore, it is important to keep the area around your natural gas meter free of obstructions such as trees, bushes, weeds and snow. In addition to providing safe access for our crews, an uncluttered meter area allows air to circulate freely around the equipment, improving operational performance.

Help our workers stay safe - don't attach signs or decorations to utility poles. The nails, staples or wire used to attach items to poles can create safety hazards for our line crews - and even delay recovery from power outages.

 **Tips from Ameren Illinois**

Your air conditioner has likely accumulated a lot of dust from being dormant in the winter, so replace your A/C filter before you start cooling your home. This will not only help the A/C unit be more efficient, but it will also help keep the air free of dust.
