 **Safety Messages from Ameren Illinois**

**Home Safety**

Save valuable time for first responders by ensuring your building or resident address is clearly marked. In an emergency situation such as a fire, natural gas leak or downed power line, every minute counts. Display your address using large painted numbers or signs on your curb, mailbox or other designated area.

**Downed Line Safety**

Don't go outside in the dark after a severe storm because you may not be able to see a downed power line that could still be energized and dangerous. Stay away from brush, fallen trees or puddles that could hide downed lines.

 **Tips from Ameren Illinois**
