Customer Information for Your Delivery Service

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, visit cmpco.com or call us at 800.750.4000. To see how your Delivery Charges are impacted by Maine public policy, visit cmpco.com/PublicPolicyCosts.

What’s a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (kWh) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 kWh of energy.

Sales-Tax Exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (kWh) of residential usage.

Late-Payment Charge

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Visit cmpco.com for more information, or call 800.750.4000.

Questions?

To ask a question or dispute a bill, you can email customer.service@cmpco.com, or call 800.750.4000, or write to CMP Customer Service, 83 Edison Drive, Augusta, ME 04336.

Payment Arrangements

If you have trouble paying your bill, a payment plan may help. Call 800.686.4044 for more information.

Maine Public Utilities Commission (MPUC)

The MPUC's Consumer Assistance and Safety Division (CASD) investigates and resolves complaints, educates the public and ensures utilities remain in compliance with State statutes and Commission rules. To contact the CASD, call **800.452.4699** or visit maine.gov/mpuc.

You have chosen to purchase your electricity supply from: [Standard Offer](#). Rates for electricity supply are not set by CMP yet we are required to bill and collect them on behalf of your Supplier.

Supplier Information

CMP does not generate or supply electricity. We deliver your electricity. Your Standard Offer electricity is supplied by Constellation Energy (50%) and New Brunswick Power Marketing (50%). Standard Offer is the default if you have not chosen an electricity supplier.

CMP is your energy delivery company. Other companies, not regulated by the Maine Public Utilities Commission (MPUC), supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.

Competitive bidding for the right to supply Standard Offer electricity is supervised by the MPUC. The price per kWh for your default Standard Offer electricity supply is \$0.106128.

You may learn more about energy supply and suppliers, and possibly find a better supply price, by visiting the Office of the Public Advocate (OPA) at maine.gov/SupplyRates, calling the OPA at 207.624.3687, or by visiting the MPUC at maine.gov/mpuc.

Visit us at cmpco.com/UnderstandYourUsage to see ways to manage and potentially reduce your usage.
