**Supplier Information**

CMP does not generate or supply electricity. We deliver your electricity. Your electricity is supplied by SMARTENERGY.

CMP is your energy delivery company. Other companies, not regulated by the Maine Public Utilities Commission (MPUC), supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.

For information regarding your supply contract terms and conditions, please call your electricity supplier at the telephone number listed above.

You may learn more about energy supply and suppliers, and possibly find a better supply price, by visiting the Office of the Public Advocate (OPA) at [maine.gov/SupplyRates](http://maine.gov/SupplyRates), calling the OPA at 207.624.3687, or by visiting the MPUC at [maine.gov/mpuc](http://maine.gov/mpuc).

The residential Standard Offer rate for 2025 is \$0.106128 per kWh. For additional information regarding Standard Offer supply, the default if you do not choose an electricity supplier, please visit the MPUC website: [maine.gov/mpuc/regulated-utilities/electricity/standard-offer-rates](http://maine.gov/mpuc/regulated-utilities/electricity/standard-offer-rates) or call them at 207.287.3831.
