COMMUNITY SOLAR SUBSCRIPTION AGREEMENT

This Community Solar Subscription Agreement (the “Agreement”) is entered into as of October 21 2025, (the “Effective Date”) by and between Nautilus Community Solar, LLC (“Seller” or “we” of “us”) and the Subscriber named above (each a “Party” and collectively the “Parties”), pursuant to which Subscriber will subscribe for Community Solar Credits (defined below) produced by the solar photovoltaic system described herein (the “System”) participating in the Community Solar Program that corresponds to your current utility provider, as identified in Exhibit A (the “Program”).

1. **Community Solar Credits.** This Agreement is between “you” or the “Subscriber,” and Seller, for your subscription to a percentage of the energy generated by the System (the “Subscription”), which will generate kWh or monetary bill credits that reduce your utility bill (“Community Solar Credits” or “Credits”). For Credits received on your utility bill, you will pay Seller the monetary value of such Credits minus the Discount, as defined in Exhibit A, such that your savings equal the Discount for the community solar portion of your bill.

2. **Subscription Term; Allocation Date; Cancellation or Transfer.** The Subscription Term (the “Term”) will commence on the date on which Credits are first accumulated toward your allocation as processed by the local electric utility (“Allocation Date”). The Term of this Agreement shall be for 25 years, however, you may cancel this Agreement for any reason with no penalty by notifying Seller in accordance with Exhibit “A”. If this Agreement is terminated within three (3) days of execution of the Agreement, it may be terminated in accordance with the attached Exhibit “C”. Following your notice to cancel, we will promptly direct the electric utility to cease allocating Credits to you from the System. In our experience, it could take the utility up to 180 days to process the cancellation. You may also transfer this Agreement to another utility account provided that we determine that such account is eligible to receive Credits from the System, and the owner of such account accepts the terms of this Agreement. Within thirty (30) days, we will notify you in writing that your transfer has been processed by the utility however, you are required to continue paying for the Credits that you receive for up to 180 days, in accordance with the terms of this Agreement.

3. **Subscription Size; Reallocation; Termination by Seller.** Your initial Subscription size will be calculated by us to generate Credits no greater

than your estimated annual electricity cost. We may adjust your Subscription size at any time without notice, provided that we will never set a Subscription size that would generate Credits greater than your estimated annual electricity cost. Credits in excess of annual use will be paid out to You at a rate that may be less than the cost of the Credit. Changes to electricity usage may result in a loss of Credit value. Credits will be allocated to your account in accordance with the Program requirements by Seller. We may reallocate your Subscription to a different solar photovoltaic system participating in the Program at any time, by providing notice to you, in which case such system will become the “System” under the terms of this Agreement. We may terminate your Subscription at any time by providing notice to You.

4. **Billing Service Provider.** The initial Billing Service Provider for this Agreement is Nautilus Community Solar, LLC. Seller may change the Billing Service Provider at any time by notifying you in writing. On a monthly basis during the Term, we will invoice you for Credits you receive, in an amount equal to the value of the Credits received on your utility bill minus the Discount. Seller is entitled to process and collect on invoices per the Billing Service Provider’s terms of service.

5. **Relocation.** A subscriber may transfer a subscription to another property if the subscriber moves within the service territory served by the Program. Such request shall be processed within thirty

(30) days of Us receiving notice of such transfer.

6. **Credit, Data Collection, and Privacy.** Except in the case of low- or moderate-income retail subscribers, We shall apply uniform standards when evaluating a potential subscriber’s creditworthiness in determining whether to offer a subscription. If this Agreement is in default, Seller may terminate this Agreement. Upon any such termination, you will be responsible for paying any outstanding balance for Credits previously received or received for up to 180 days after termination, but will not be liable to us for any other amounts.
