**Your Messages**

The average residential **CMP Delivery** amount includes about \$15 per month in non-CMP costs to support Maine public policy initiatives including net energy billing subsidies, low income assistance and energy efficiency. Learn more about CMP rates and public policy costs at [cmpco.com/PublicPolicyCosts](http://cmpco.com/PublicPolicyCosts).

Give yourself the gift of stress-free billing with AutoPay. It's the easiest way to make sure your electricity bill is paid - automatically, securely and on time. Sign up at [cmpco.com/MyAccount](http://cmpco.com/MyAccount) today.

CMP now provides kilowatts of demand (kW) on your monthly bill - please take a moment to review this information.

Our Mobile App is the top-rated way customers choose to connect with us. It's fast, convenient and puts your account information right at your fingertips. Download our free app by searching CMP in the App Store or Google Play, or text APP to 267898 to have a download link sent to your phone.

Living in America's most forested state is incredibly special and it presents challenges. We are building a smarter, stronger, more resilient grid for Maine. We have invested \$3 billion over the last decade to improve our infrastructure.

**Your Monthly Usage Summary(kWh)**

Your next meter reading is on or about 01/09/2026

Please return this stub with your payment. Please allow 7 to 10 business days for processing. Do not send cash or coins, and do not return with staples or paper clips. Thank you.

### Customer Information for Your Delivery Service

Delivery rates are approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, visit [cmpco.com](http://cmpco.com) or call us at 800.565.3181. To see how your Delivery Charges are impacted by Maine public policy, visit [cmpco.com/PublicPolicyCosts](http://cmpco.com/PublicPolicyCosts).

#### What's a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (kWh) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 kWh of energy.

#### Questions?

To ask a question or dispute a bill, you can email [customer.service@cmpco.com](mailto:customer.service@cmpco.com), or call 800.565.3181, or write to CMP Customer Service, 83 Edison Drive, Augusta, ME 04336.

#### Sales-Tax Exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (kWh) of residential usage.

#### Payment Arrangements

If you have trouble paying your bill, a payment plan may help. Call 800.686.4044 for more information.

#### Late-Payment Charge

Bills are due on receipt. A rate of 0.949% will be applied each month to the unpaid balance after 25 days from the bill postmark.

#### Maine Public Utilities Commission (MPUC)

The MPUC's Consumer Assistance and Safety Division (CASD) investigates and resolves complaints, educates the public and ensures utilities remain in compliance with State statutes and Commission rules. To contact the CASD, call **800.452.4699** or visit [maine.gov/mpuc](http://maine.gov/mpuc).

#### Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Visit [cmpco.com](http://cmpco.com) for more information, or call 800.565.3181.

#### Mail Address Changes

Please "X" for mail address changes and fill in your new mailing address information below.

<b>Total New Supplier Charges</b>		<b>\$49.37</b>
<b>Standard Offer Supplier Account Balance</b>		<u><u>\$49.37</u></u>

***Supplier Information***

CMP does not generate or supply electricity. We deliver your electricity. Your Standard Offer electricity is supplied by Constellation Energy (50%) and New Brunswick Power Marketing (50%). Standard Offer is the default if you have not chosen an electricity supplier.

CMP is your energy delivery company. Other companies, not regulated by the Maine Public Utilities Commission (MPUC), supply your electricity, which we deliver to you safely and reliably. CMP does not control the supply price though we are required to include and collect the costs in our monthly bills. Now you will see the name of your supplier and their itemized supply charges in BLUE on this page.

Competitive bidding for the right to supply Standard Offer electricity is supervised by the MPUC. The price per kWh for your default Standard Offer electricity supply is \$0.106128.

You may learn more about energy supply and suppliers, and possibly find a better supply price, by visiting the Office of the Public Advocate (OPA) at [maine.gov/SupplyRates](http://maine.gov/SupplyRates), calling the OPA at 207.624.3687, or by visiting the MPUC at [maine.gov/mpuc](http://maine.gov/mpuc).

Visit us at [cmpco.com/UnderstandYourUsage](http://cmpco.com/UnderstandYourUsage) to see ways to manage and potentially reduce your usage.
