Customer Choice: Supplier Do Not Transfer List

All customers in the BGE service area have the opportunity to choose their electricity or natural gas supplier. This right is often referred to as Customer Choice. In accordance with Senate Bill 1, which was passed by the Maryland General Assembly during the 2024 session, BGE has developed a Do Not Transfer List where BGE residential customers can indicate their preference to stay on Standard Offer Service indefinitely and not receive directed marketing materials from retail suppliers. For more information, visit [bge.com/ CustomerChoice](https://www.bge.com/CustomerChoice). To be added to this list, customers should call BGE's Care Center at [800.685.0123](tel:800.685.0123).
