Safety Messages from Ameren Illinois

Important Message for Gas Customers - Be Safe If you ever smell gas, call Ameren Illinois at 1.800.755.5000 to investigate the problem. We respond to gas odors 24 hours a day, 7 days a week and there is no charge.

Worker Safety

Should a natural gas leak or natural gas emergency occur at or near your home, our crews may need to reach your gas meter to shut off your service. Therefore, it is important to keep the area around your natural gas meter free of obstructions such as trees, bushes, weeds and snow. In addition to providing safe access for our crews, an uncluttered meter area allows air to circulate freely around the equipment, improving operational performance.

Worker Safety

Help our workers stay safe - don't attach signs or decorations to utility poles. The nails, staples or wire used to attach items to poles can create safety hazards for our line crews - and even delay recovery from power outages.
